FEDERAL BAKERY BEGINS BIG NAME CONTEST MONDAY

W. L. Friese, manager of the Federal Bakery, yesterday announced that his concern will hold a national contest in which \$500 in cash prizes will be the awards. Pictures will be published and it will be up to contestants to submit suitable names for them. The contest begins September 18 and will end October 18.

When the first name is submitted, a contestant gets a contestant's discount good for 10 per cent discount on \$5 worth of merchandise. The author of best title to the picture will receive a prize of \$250.

Judges will be Frank D. Throop, publisher of the Davenport Democrat; Fred Russell, advertising manager of the Daily Times; and Howard Harrington, advertising manager of the Moline Plow Co.

BUSINESS MEN ARE ASKED TO ADORN STORES

Business men of Amarillo have been asked by the Board of City Development to decorate their places of business for the Panhandle-Plains Chamber of Commerce convention Tuesday and Wednesday.

Secretary G. V. Vernon points out that visitors here from other towns will expect to find Amarillo in gala attire as a welcome to them.

It is also urged that more people enter their automobiles in the parade which is to be held Tuesday morning at 9 o'clock. Prizes of \$50, \$30 and \$20 have been offered by the Amarillo-Panhandle Automotive Association for the best decorated autos.

AMARILLO FIELD LEADING IN NEW WELL LOCATIONS

More new locations of oil wells are being made in the Amarillo field proportionate to its size than any other field in Texas or Oklahoma, according to local oil men. This statement means, of course, locations made independently of those which are merely offsets.

Three new locations were announced last week, and it is known others are pending.

Boys No. 3 is drilling in a hard formation below 2,500 feet. Masterson is in blue shale and indications are good for oil. Harvey has a gas showing and is in a dry cave. Silk Bullington is at an interesting depth, being below 2,000 feet.

CITY BRIEFS

Learn a word every day—Today's word is—FERROUS. It's pronounced—fer-us, with accent on the first syllable. It means—pertaining to or derived from iron. It comes from—Latin "ferum," iron. It's used like this—"In the metal market, increased building throughout the country naturally has increased the demand for ferrous products correspondingly, for some time past."

Rev. Frank M. Neal of Amarillo, evangelist for the Southern Methodist church, has been leading a great revival at Decatur, according to news stories published in the Decatur News. To date there have been 60 conversions and the paper says that in many respects the revival is the greatest that has been held in Decatur in years.

R. C. Sherrod, carrier at the post office, returned to his duties after a brief vacation and honeymoon.

Mayor W. M. Knight of Hereford, and Charles Donald, cattle man, were here yesterday.

Mr. and Mrs. C. P. Galley, who live near Dahn, were visitors here yesterday.

W. H. Beattie of the Colorado Fuel and Iron Co., returned yesterday from a trip to the North Plains.

Charles C. Ferguson and son Charles, Jr., of Hereford, were here Saturday.

T. E. Kennedy of El Reno, Okla., president superintendent of construction of the Rock Island, was in Amarillo yesterday en route to the home of a daughter, who lives near Vega. Mr. Kennedy lived in Amarillo many years ago.

R. A. Campbell and family of Claude, came in the city yesterday. They reported a heavy rain in the Washburn community.

Five men paid fines in police court yesterday on charges of vagrancy.

A building permit was issued W. W. Bennett yesterday for a \$1,000 house at 68 Alabama street.

A marriage license was issued yesterday to Anselmo Flores and Miss Lorena Avila.

Frank M. Ryburn of Madden, Trulove, Ryburn and Pipkin, attorneys, returned yesterday from Plainview.

Miss Nida Martin, 501 North Fillmore street, will leave Monday for Boulder, Colo., to enter the state university.

M. F. Taylor, who has been confined to his home for the last few days by illness, is sufficiently recovered now to leave the house.

W. L. Spear, Amarillo graduate of the 1922 class, leaves Monday morning for Austin to enter Texas University.

NUMBER OF CITY EMPLOYEES TO BE MATERIALLY CUT

First steps in bringing about economy in administration of affairs of the City of Amarillo were taken yesterday afternoon at a meeting of the employees with the City Commission.

Economy so far as the employees are concerned is to be gained through discharge of some of them, especially in the street department, and through more efficiency in those remaining at work. Heads of departments were instructed to see that their workmen perform as efficiently as possible.

The census taken yesterday shows 67 employees, besides the four in the Board of City Development, making a total of 71. These are divided as follows: 2 at the barns, 17 on the streets, 4 mending the can wagons, 4 on the trash and paper wagons, 2 at the city hall, 3 night street sweepers and 2 day street sweepers, 3 on the sewer system, 1 on the City farm, one at the incinerator, 12 in the street railway department, and 18 firemen.

Mayor Lon D. Marra made the statement when the commissioners voted to keep the city tax rate at the same figure it was last year, despite the big increase in cost of operation, for example 40 more miles of street to grade than last January 1, that the city must be operated 15 per cent more economically than ever before.

LIONS WILL INSTALL NEW OFFICERS TODAY

Lions will install their new officers at the luncheon meeting Tuesday at the Amarillo Hotel. John Watson will have charge of the program. Harry A. Gardner, editor of Lions Hour, urges a good attendance to bid the old officers good bye and the new officers bon voyage.

Billet Funeral Today.
Funeral services for Earl G. Billett will be held in the chapel of the Griggs Undertaking Company at 2 o'clock Sunday afternoon, conducted by Rev. John A. Travis. The Woodmen of the World and the Washburn Circle will have charge of the service at the grave.

DAILY NEWS RADIO NEWS

8:30 to 8:45 p. m.—Baseball scores.
8:45 to 9:30 p. m.—Musical program.
Home talent musical programs on Monday, Wednesday and Friday nights. Other nights, except Sunday, programs will be the latest Victor records furnished by the Panhandle Music Company.

The time of the year has arrived when it will be possible to make records along the lines of phone reception. Winter has always been the ideal time or wireless communication. It will not be long till cool weather will be here to day and the radio fans will be hearing stations as far off as Detroit, Chicago, and even New York, not just now and then, but consistently every night. The News will install in the immediate future a magnavox at the front of the office, and anyone who wishes may come and listen to the programs.

OWENS AND PATZIG WILL LESSON CAR ACCIDENTS

Owens & Patzig, local automobile distributors, announce the inauguration of a special accident prevention department in the way of expert inspection

and repair of automobile brake linings. They offer to inspect free of charge the brakes on any car brought to their service station on East Tenth Street just off Polk. Mr. Patzig, who is in charge of service, said yesterday that a great percentage of the automobile accidents were caused from inefficient

brakes, and that a periodical inspection and repair of them would add much to the safety of motorist and pedestrian.

Twenty six positions on important New Mexican state boards are held by women.

Six Cylinder **CASE** Model X

Exceptional Performance is an outstanding feature of this car. A speed range from 2 to 70 miles per hour is made possible by a flexible, high-powered motor. Quick responsiveness in crowded traffic and ample power to negotiate the heaviest roads, adds to the pleasure and satisfaction of Case owners. Easy riding and stability on curves and crowned roads is the result of low center of gravity and long, resilient springs, mounted at the ends of the axle housing. The increased roadability and driving ease of this car enables you to finish a full day's drive refreshed and unfatigued.

Add economy of operation, dignified appearance and refinement of appointments and you have the Case Model X—a superior car of medium size for the owner driver.

We have now on our salesroom floor, ready for your inspection, the Model X Roadster, Sedan, Suburban Coupe and Five Passenger Touring

When you buy a "CASE" Automobile, back of it is absolutely the very best service obtainable. We carry a large stock of all parts, and our mechanics are thoroughly familiar with every detail of a "Case."
